

PERMITTING OF BMP MAINTENANCE ACTIVITIES

Jim Rose – Senior Conservation Specialist
Waukesha County Land Resources Division

Spring 2010 Storm Water Workshop

Permits? What permits?

- State or Federal Permits
- County Storm Water Permit
- County Zoning Permits
- Local Municipal Permits

Waukesha County Storm Water Permit Applicability

- Disturbs more than 3,000 square feet
- Involves excavation or filling, or a combination of excavation and filling, in excess of 400 cubic yards of material
- Involves the laying, repairing, replacing, or enlarging of an underground utility, pipe or other facility, or the disturbance of road ditch, grass swale or other open channel for a distance of 300 feet or more
- Is a land disturbing activity, regardless of size, that the LRD determines is likely to cause an adverse impact to an environmentally sensitive area or other property, or may violate any other erosion control standard set forth in the ordinance
- Modifications in next Ordinance revision

What do I need to submit?

- Narrative that lays out what work needs to be done and how it will be accomplished.
- Include inspection report
- Set of plans
- Explain what you are doing with any sediment removed
- Stabilization / Planting plan
- PIM
- As-builts with x-sections may be required
